PROJECTED OPERATING

**IMPACTS** 

This project provides ongoing funding to the eight towns within the County as a five percent match to Program Open Space (POS) projects. Every year since the early 1970s, the State has made POS funds available to the towns for development of municipal parks. Up to 90% of the cost of the municipal projects may be reimbursed through POS funding. The County contribution shown below is to cover 5% of the approved municipal projects. The remaining 5%, as well as any cost overruns, are the responsibility of the towns.
