Preparing for the Big Decisions

Our experts will guide you in developing a plan for the legal and financial responsibilities that come with caregiving. Topics include advanced directives, power of attorney, acquiring documentation, liquidating assets and debt identification.

Saturday, April 11 / 9 a.m. - 12 p.m.

Caring for Yourself While Caring for Others

It's easy to neglect your own needs when caring for loved ones. This course emphasizes the importance of self-care to avoid "compassion fatigue" and maintain your health. Learn about the aging brain, understand the needs of your care recipients, and discover strategies to balance caregiving with self-care.

Saturday, June 27 / 9 a.m. - 12 p.m.

Hands on Skills for the Caregiver

Get hands-on expertise to ensure the well-being and safety of your care recipients. Topics include personal care assistance, medication management, mobility aid and recognizing emergencies.

Saturday, Aug. 8 / 9 a.m. - 12 p.m.

Complete Care - Building your Caregiving Blueprint

Combine the physical, cognitive, and emotional aspects of caregiving into a unified approach. Blend practical skills, thoughtful decision-making, and emotional resilience to develop a personalized care plan that promotes dignity, sustainability, and compassion. Practice applying what you've learned to real-life caregiving scenarios and prepare for the ongoing journey of caregiving with excellence.
