Thursdays, March 7 - May 2 from 6 - 7 pm

[Program #24SP04.02](#)

Dancing is one of the best exercises and is certainly great fun! Come join Rec & Parks to learn the steps to some popular line dances. Some routines are danced at weddings and festivals, some are old standbys, and some are choreographed to the latest songs. We use a variety of genres so there is a favorite for everyone! This is a great program for teens as well as adults- it's good, fun exercise for all! Each session includes review of previous songs as well as practice sheets. Be sure to wear comfortable shoes & clothing and bring bottled water. A small break is taken about mid-class. All levels welcome- no experience is needed, just the ability to follow along so come join the fun! Encourage a friend to sign up with you for added enjoyment!

Line Dancing - Intermediate

at Westminster Senior & Community Center

12+ years • 8 sessions

Thursdays, March 7 - May 2 from 7 - 8 pm

[Program #24SP04.03](#)

Line Dancing is a FUN body exercise. Enjoy the many health benefits while learning dance steps to a variety of music genres, including big circle and cowboy Contras. Got a line dance you always wanted to learn? This is a great program for teens as well as adults. Each week we will review previously taught dances and learn a few new ones. Be sure to wear comfortable shoes and clothing. Bring a water bottle. A small break will be taken mid-class. We recommend some experience as this program runs at a faster pace with more difficult dances and less review times.

Level 5 Soccer uses our proven, age-appropriate curriculum to introduce kids to soccer in an enthusiastic way. Our experienced, high-energy coaches use exercises from around the globe to deliver sessions that are healthy, informative, and fun. With a team atmosphere, even the youngest soccer players develop social, life, and athletic skills. All campers who attend and are interested will participate in goal-keeper training. We love having our campers see and learn the sport from all position perspectives! Our unique method of soccer instruction helps children become familiar with athletics to properly play the world's most popular game early on. Whether new to the game or looking to work on specific skills in preparation for the upcoming soccer season, this camp is for you! Campers will be separated into groups by age and skill level, while also having some fun 'all camp time' together. Level 5 Athletics provides an energetic, affordable, and fun sports environment for plays to enjoy age-appropriate instruction from outstanding coaches. Level 5 instructors have played and coached at the high school and college level. Our program develops players from Pre-K through high school. We develop skills at all levels, from beginner to college prep. Level 5 Athletics provides camps, clinics, and training sessions that are offered independently and through school, local, and club programs.

[Program #24SP06.23](#)

Saturday, May 4 from 10 - 10:45 am

[Program #24SP06.24](#)

Mindfulness isn't just good for adults. It's also good for kids, and it's good for families to practice mindfulness together. Mindfulness can improve confidence, increase our ability to focus, promote relaxation, and lead to healthier lifestyles. Movement increases body awareness and builds strength and flexibility. This class gets us mindfully moving in a fun and playful way. Have you ever moved and sounded like a bee? How about an elephant? Have you ever ran across the floor like a beetle? In this class, you just might. Wear comfortable clothes you can move in, and bring water and yoga mats if you have them (mats not required). The recommended minimum age is 3, but families of all ages are welcome.

Nature Camps

BBNC: Wilderness Survival Summer Camp

at Hashawha/Bear Branch Nature Center

10 - 12 years • [Program #24CP11.23](#)

Tuesday and Wednesday from 9am – 4pm

Thursday from 9am till Friday at 10am

Do you have what it takes?! Each day of Wilderness Survival Camp will offer a unique challenge to complete. From fire making to shelter building to orienteering to foraging, campers will learn team building skills that will assist them in surviving in the wilderness. We will learn about how indigenous peoples survived back in the Woodland Period as well as how animals are able to survive in the great outdoors each and every day. Our survival skills learned throughout the week will be put to the test when we play the Wildlife Simulation game! Campers will spend the night Thursday evening where they will be provided with dinner before heading out for an Owl Prowl. The night will wrap with a campfire before camping under the stars. Friday morning will begin with breakfast before a final farewell at 10:00am.

7 - 16 years • [Program #24CP11.70](#)

Monday - Thursday, July 8 - 11 from 9 am - 12 pm

Come learn from the best! Director Casey Medairy was a head varsity coach for 11 years, Division I player at UMBC, and director of 3A East region for Maryland baseball. He has been involved in successful baseball camps for 17 years and focuses on giving quality instruction from his staff of current or former college coaches and players with years of baseball experience. Rotate through different stations that emphasize the skills needed to play baseball and finish the day with controlled practice games to work on in-game scenarios and situations. Quality instructions is our top priority.

Instructor: Casey Medairy
