### Accessibility

The Americans with Disability Act applies to the Carroll County Government and its programs, services, activities and facilities. If you have questions, suggestions, or complaints, please contact the Carroll County Government Americans with Disabilities Coordinator at (410) 386-3600 or TTY (410) 848-9747. The mailing address is: 10 Distillery Drive, Suite 101, Westminster, Maryland 21157.

January 15th, 2019

### TO: Richard J. Soisson, Chairman Planning and Zoning Commission

### **RE:** Preliminary Recommendation on the FY 20 – 25 CIP

This memo is your introduction to the FY 20 - 25 Community Investment Program (CIP) and the Preliminary Recommended CIP. First I would like to briefly review the CIP process timeline.

September	CIP requests received at the Department of Management and Budget
Mid – January	DMB Preliminary Recommendation is forwarded to the Planning Commission and the Board of County Commissioners
February	Planning Commission makes recommendations and comments on the CIP
March	DMB Recommended Budget to the Commissioners
Late March	Commissioner/Agency meetings on the Budget
April	Commissioners develop their Proposed Budget
Early May	Public Hearing on the Proposed Budget
Late May	Budget Adoption

What is the Preliminary Recommended CIP?

- A first look at the next CIP.
- A CIP that reflects the goals of the Commissioners.
- A CIP that generally continues the currently adopted CIP.
- The starting point for discussion with the Commissioners.

What the Preliminary Recommended CIP is not.

- The final version of the CIP.
- The end of analysis on individual projects.
- A commitment of dollars, timing or revenue mix.

### Summary

Much of the Preliminary Recommendation closely resembles the FY 19 - 24 Adopted CIP. This is not an accident. The starting point each year is the current plan. We can never predict with 100% accuracy the services and facilities that will be needed over a six – year period and we expect previously unidentified projects to be added to the CIP, but it is critical that the plan retain its basic stability. Local revenue growth continues to be a challenge for the budget process. Our approach has been to focus on maintaining existing infrastructure while adding few new construction projects to the CIP.

### Board of Education

The school construction portion of the Preliminary Recommended CIP is supported and constrained by three sources of revenue: Impact Fees, dedicated Local Income Tax, and State funding. The plan includes funding for modernizations, infrastructure maintenance, and new construction.

- New Construction Funding is included for the renovation and addition to the Career and Technology Center.
- *Modernizations Funding is included for the renovation of high school science classrooms.*
- HVAC System Replacements Funding is included for HVAC system replacements at Spring Garden and Winfield Elementary.
- *Roof Replacements Funding is included for a roof replacement at Cranberry Station Elementary.*
- Window Replacements Funding is included for window replacements at Westminster High and South Carroll High.

### Conservation and Open Space

*This portion of the Preliminary Recommended CIP includes Water Resources and Agricultural Land Preservation.* 

• Water – Funding is included for the reconstruction and structural maintenance of existing stormwater management ponds, and remediation efforts to stay in compliance with our NPDES permit.

• Agricultural Land Preservation – Funding is included to continue efforts to permanently preserve farmland through easements. The county has preserved more than 70,000 acres of the County's 100,000 acre goal.

### Public Works

The Public Works portion of the Preliminary Recommended CIP includes Roads and Bridges.

- Pavement Management This project includes funding for mainline, low volume and neighborhood roads. Repair strategies include: patching, overlay, mill and overlay, full depth reclamation, and reconstruction. Drainage structures and guardrails will be replaced or added where necessary.
- Funding is included for video inspection and replacement or rehabilitation of existing storm drains.
- Funding is included for the replacement of three bridge structures.

### Culture and Recreation

This portion of the Preliminary Recommended CIP provides for cultural facilities and for passive (e.g., natural park areas) and active (e.g., ballfields) recreational areas. Recreation projects are funded primarily with Impact Fees and Program Open Space (POS) grants. Recreation and Culture projects include Recreation and Parks and the Union Mills Homestead.

- Recreation and Parks Funding is included for improvements to Double Pipe Creek Park, Old Liberty Road Park, Piney Run Park and the Carroll County Sports Complex. Also included is funding for trail construction at Gills Falls, Krimgold Park, Leister Park, and the Northwest Trail.
- Union Mills Homestead This project provides funding to replace the flume, waterwheel and waterwheel shaft.

### General Government

This portion of the Preliminary Recommended CIP contains projects that do not fall into one of the other five categories: Recreation and Culture, Public Works, Board of Education, Conservation and Open Space, and Enterprise Funds. General Government projects are typically related to Public Safety 911, Carroll Community College, Carroll County Public Library, Sheriff's Office, State's Attorney, Technology Services, Senior Centers, and other County facilities. • County Facilities – Funding is included for a new State's Attorney's building and a new southern precinct for the Sheriff in Eldersburg. Funding is also included for renovations and improvements at the Public Safety Training Center, Exploration Commons at Westminster Library, and Carroll Community College.

*I hope this is helpful in acquainting you with the CIP as you prepare for your review. I will be available to offer further information and clarification as necessary.* 

Ted Zaleski

Director, Management and Budget

# **Capital Fund Revenues**

This chart shows the capital budget by revenue source for FY 11 - 20.

**From Operating** includes current and prior year revenues from local sources transferred to the Capital Fund, including transfers from the General Fund and reallocated General Fund transfers.

State and Federal includes funds from sources such as the State School Construction Program, Program Open Space, Highway User Revenue, Rural Legacy Grants, State Agricultural Preservation (MALPF), and State Highway Administration.

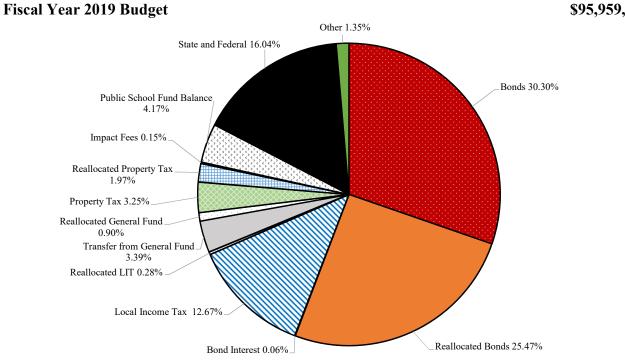

Bonds includes new and reallocated general obligation bonds.

**Direct Capital Revenues** includes funds earmarked by the Commissioners for use in the Capital Fund. These revenues are appropriated directly to the Capital Fund rather than being transferred from the General Fund. 9.09% of Local Income Tax collected is appropriated for school construction. Approximately 2.25% of Real Property Tax is dedicated to agricultural preservation.

Other includes revenues such as grants, developer contributions, private, municipal, and community contributions.

# **Capital Fund Appropriations**

This chart shows appropriations to the five principal groupings in the Capital Budget for FY 11 - 20.

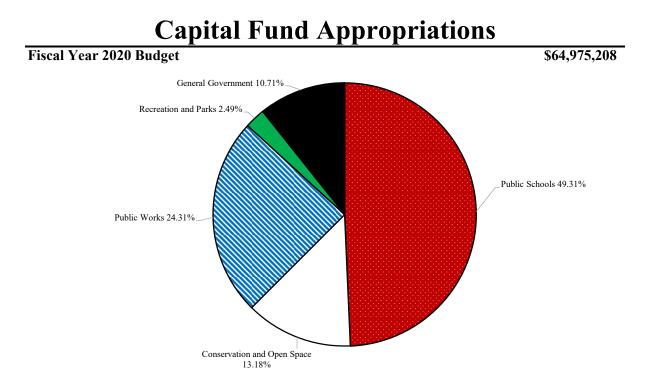

Public Schools includes school construction, renovation, and modernization projects.

**Conservation** includes agricultural preservation and easement programs, NPDES compliance projects, water development, and acquisition of property for other County uses, which may include future roadway easements and public facilities.

Public Works includes projects for the maintenance and construction of roads and bridges.

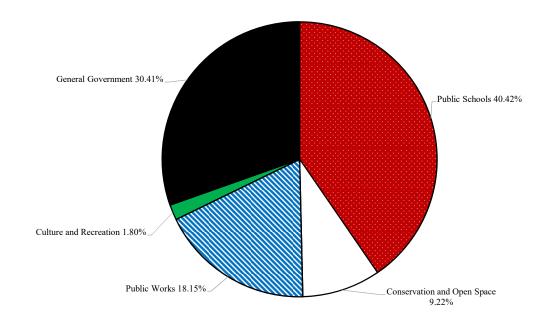

**Recreation and Culture** includes the purchase of land, development and restoration of parks, and preservation of Union Mills Homestead.

**General Government** includes Public Safety, Carroll Community College, Carroll County Public Library, State's Attorney's Office, Technology Services, Senior Centers, Farm Museum, and other County facilities.

Fiscal Year 2019 Budget

\$95,959,042

#### Community Investment Plan - Schedule of Reappropriations Fiscal Year 2020

Reappropriations are a transfer of funds. They may occur when there are unspent budgeted funds from a completed or cancelled project, or when there is an unallocated project that holds funds for future use.

#### **Capital Fund**

	Project	S	Source/Amount

## **Overview of Public Schools CIP**

The Public Schools Community Investment Plan (CIP) includes school construction, such as additions and modernizations, as well as other school-related projects. School construction is funded primarily by dedicated Local Income Tax revenue, State funding, and Impact Fees.

In April 2016, the Commissioners voted to keep the School Impact Fee at zero until FY 20. Impact Fees for schools can be used only to build new schools or additions to existing schools to increase capacity.

Developing the school construction plan is a complex process involving the Board of Education's plans, priorities and requests, enrollment projections, redistricting plans, and projected development. Historically, the County has provided funding for three-quarters or more of the school CIP. In the current six-year plan, the County is providing 70% of funding.

The Commissioners continue to provide funding in FY 20 - 22 to address the Carroll County Career and Technology Center through a two-phased project. The first phase includes planning and construction of a 21,000 square foot addition to the existing Career and Technology Center. The second phase renovates the existing building to better accommodate existing programs.

Funding is included in FY 20 to renovate science classrooms in Westminster High.

Even with the \$214.9M included in the plan, all project requests could not be funded. In recent years, the Board of Education has identified a number of needs that have no existing or planned funding. Unfunded projects include:

- Westminster High Modernization
- Cranberry Station Elementary Kindergarten Addition
- Friendship Valley Elementary Kindergarten and PRIDE Addition
- Sandymount Elementary Kindergarten Addition
- Taneytown Elementary Kindergarten Addition

Funding for systemic renovations of East Middle and a K-8 school are not included in the FY 20 -25 CIP, but alternatives are under consideration.

Following this overview are copies of the Board of Education's Ten Year Facilities Master Plan Calendar and the FY 20 State Capital Improvement Plan Budget Request/FY 2021 – 2025 Capital Improvement Program Plan. For additional information on Public School projects, please refer to the individual project pages.

## **Career and Technology Center**

Taylor Hockensmith, Management and Budget Analyst (410) 386-2082

**Commissioner District: 3** 

8619

This project provides funding to address space needs and an aging facility at the Career and Technology Center, located in Westminster. The prior allocation is for planning and construction in FY 19 - 20 of a 21,000 square foot addition to the existing Career and Technology Center to provide classrooms to address the waitlist for several programs. The second phase in FY 20 - 22 renovates the existing building to better accommodate existing programs.

Project is contingent on State funding.

Operating impacts will be determined as the project develops.

## **High School Science Room Renovations**

Taylor Hockensmith, Management and Budget Analyst (410) 386-2082

This project provides funding for the renovation of aging science classrooms. The prior allocation addressed four classrooms each at Liberty High and South Carroll High. Remaining funding will address six classrooms at Westminster High.

Project is contingent on State funding.

## **HVAC Improvements and Replacements**

Taylor Hockensmith, Management and Budget Analyst (410) 386-2082

This project provides planned ongoing funding for the replacement of aging heating, ventilation, and air conditioning (HVAC) systems in schools. Funding is also included for scope studies performed one year prior to construction. Projects starting in the near term are budgeted as separate projects. Future HVAC improvements or replacements in the Board of Education's Facility Master Plan not yet identified as specific projects include:

Oklahoma Road Middle Northwest Middle Carroll Springs Elementary Carrolltowne Elementary Mount Airy Elementary

Project is contingent on State funding.

# HVAC System Replacement - Spring Garden Elementary

Taylor Hockensmith, Management and Budget Analyst (410) 386-2082

This project provides funding for replacement of the existing rooftop air handler units and terminal control units, heating and cooling plants, associated piping and pumps, replacement/upgrade of the pneumatic control system, and an upgrade to the electrical equipment with new panelboards.

Project is contingent on State funding.

## **Relocatable Classroom Removal**

#### Taylor Hockensmith, Management and Budget Analyst (410) 386-2082

This project provides ongoing funding for the removal of relocatable classrooms from various school sites where they are no longer needed. An evaluation of the condition and utilization of the existing relocatable classroom inventory was performed to identify units for potential removal. The Board of Education currently has an inventory of 28 relocatable classroom buildings.

Projected operating impacts include a reduction in maintenance and utilities.

# **Roof Repairs**

### Taylor Hockensmith, Management and Budget Analyst (410) 386-2082

This project provides ongoing funding for minor repairs to roofs. Funding is to address emergencies, provide necessary maintenance for the integrity of the roof systems, and extend the useful life of roofs.

## **Roof Replacement - Cranberry Station Elementary**

Taylor Hockensmith, Management and Budget Analyst (410) 386-2082

This project provides funding for the replacement of 61,146 square feet of roofing, associated tapered insulation system, roof drains, and flashing.

Project is contingent on State funding.

#### **Roof Replacements**

#### Taylor Hockensmith, Management and Budget Analyst (410) 386-2082

This project provides planned ongoing funding to replace roofs that are failing and no longer repairable. Projects starting in the near term are budgeted as separate projects. Future roof replacements in the Board of Education's Facility Master Plan not yet identified as specific projects include:

Winfield Elementary Spring Garden Elementary North Carroll Middle Oklahoma Road Middle Century High

Bonds

Project is contingent on State funding.

## **Technology Improvements**

#### Taylor Hockensmith, Management and Budget Analyst (410) 386-2082

This project provides ongoing funding for technology improvements. Funding will allow for technology replacements, upgrades to infrastructure hardware and software, and installation and replacement of hardware, such as servers, and network infrastructure equipment. Cabling upgrades, wireless technologies, and other core telecommunications are included in the technology infrastructure of the school system.

## **Transfer to Operating Budget for BOE Debt Service**

Taylor Hockensmith, Management and Budget Analyst (410) 386-2082

A percentage of the Local Income Tax revenue is dedicated to school construction and appropriated directly into the Capital Fund. This project is for the portion of these dedicated funds transferred to the General Fund to pay debt service related to school construction projects. Because dedicated Local Income Tax is budgeted in the Capital Fund and then transferred to the General Fund, the funding is counted twice in the All Funds Budget.

# CONSERVATION AND OPEN SPACE

### **Overview of Conservation and Open Space CIP**

The FY 20 - 25 Conservation and Open Space CIP includes funding for land preservation and water resources. Approximately \$40.4M is planned for the Agricultural Preservation Program in both the Capital and Operating budgets, and is funded with a combination of dedicated Property Tax revenue, bonds, Agricultural Transfer Tax revenue, and State participation. Property Tax funding is included to allow for the acquisition of easements through Installment Purchase Agreements and for the payment of interest to landowners.

The FY 20 – 25 CIP continues funding to maintain the County's permit associated with the Federal National Pollutant Discharge Elimination System (NPDES) program. The 2005 - 2010 permit required a total of 10 percent of the County's impervious surface be remediated. The County and the eight municipalities have entered into a memorandum of agreement combining the municipalities and County into one permit. The joint permit, issued for 2015 - 2020, requires an additional 20 percent remediation of impervious surface, and is linked to the Watershed Implementation Plan of the Chesapeake Bay Total Maximum Daily Load (TMDL). The Chesapeake Bay TMDL sets limits on allowable pollutants in bodies of water. The requirements for the Chesapeake Bay TMDLs are currently unknown and may require additional funding above and beyond planned levels.

To remain compliant with the NPDES permit, the Stormwater Facility Restoration project was established to keep stormwater management facilities working properly.

For additional information on these or other Conservation and Open Space projects, please refer to the individual project pages.

#### **Agriculture Land Preservation**

#### Lynn Karr, Senior Management and Budget Analyst (410) 386-2082

This project provides ongoing funding for the Carroll County Agriculture Land Preservation program. The program provides an opportunity for landowners to make a long-term commitment to agriculture by offering financial incentives in exchange for property development rights. Preserving farmland with permanent easements helps to maintain agriculture as a viable industry and preserve the rural character of Carroll County.

The County offers two payment options to the landowners: Installment Purchase Agreement (IPA) or Lump Sum. The IPA option pays the landowner for the easement over a 20-year period. The lump sum option pays for the easement at the time of settlement. The Maryland Agriculture Land Preservation Foundation (MALPF), a lump-sum payment program, is jointly funded by the State of Maryland and Carroll County.

2.25% of the Property Tax revenue is dedicated to the Agriculture Land Preservation program, and is appropriated in the Capital Fund for easement purchases and in the General Fund for interest payments to landowners in the Debt Service - Agricultural Preservation budget. The Capital Fund portion is reduced by \$0.5M in FY 20, \$0.5M in FY 21, and \$0.25M in FY 22.

The appropriations are listed in the charts below. The Total Appropriation - IPA and Lump Sum are for easement purchases; the Projected Operating Impacts are interest payments appropriated to the General Fund; and the Total Appropriation - Ag Pres at the bottom of this page includes costs for both the Lump Sum and IPA options.

### **Stormwater Facility Renovation**

#### Lynn Karr, Senior Management and Budget Analyst (410) 386-2082

This project provides ongoing funding to keep existing County-owned stormwater management facilities in working condition and in compliance with the National Pollution Discharge Elimination System (NPDES) Permit. The plan is to evaluate and repair five to seven facilities per year over a 30-year period. Funding will be used for repairs and to replace pipes and filter media.

#### Watershed Assessment and Improvement (NPDES)

Lynn Karr, Senior Management and Budget Analyst (410) 386-2082

This project provides ongoing funding to comply with the Federal Clean Water Act. The Act requires the County to secure a permit under the National Pollutant Discharge Elimination System (NPDES) for storm sewer systems. The permit requires the County to map and assess the condition of the storm sewer systems and of the watersheds that discharge into them. The County and the eight municipalities have entered into a memorandum of agreement (MOA) to obtain a joint five-year NPDES permit to address stormwater issues. Under the joint permit issues in FY 16, the County and municipalities are required to mitigate impervous surface runoff. As part of the MOA, the County manages the construction of the mitigation projects on behalf of the municipalities. The municipalities provide funding to the County equivalent to 20% of the construction cost of municipal impervious acres.

The current permit will expire in FY 20. Estimates of Town contributions have been included in anticipation that the Towns and County will again participate in a joint permit. The estimate is based on the same assumptions as the MOA signed by the Towns and County for the current permit.

#### Water Development

#### Lynn Karr, Senior Management and Budget Analyst (410) 386-2082

This project provides funding for remediation efforts at Hydes Quarry. Because this effort cannot be bonded, General Fund dollars of \$240,000 are required. Bonds of \$240,000 will be reallocated from Water Development through the budget process to other capital projects, resulting in no overall change to this project or the Capital Fund.

# PUBLIC WORKS

### **Overview of Public Works CIP**

The Public Works CIP includes two sections: Roads and Bridges.

Approximately \$92.2M is included in the FY 20 - 25 CIP to maintain and rehabilitate 900 miles of roads throughout the County. Approximately thirty-five percent of the County's road network is considered mainline or arterial roads. These roads carry a higher traffic volume. Sixty-five percent are lower volume roadways, including neighborhood roads. Typical repair strategies include sealing, overlay, mill and overlay, full-depth reclamation, and reconstruction.

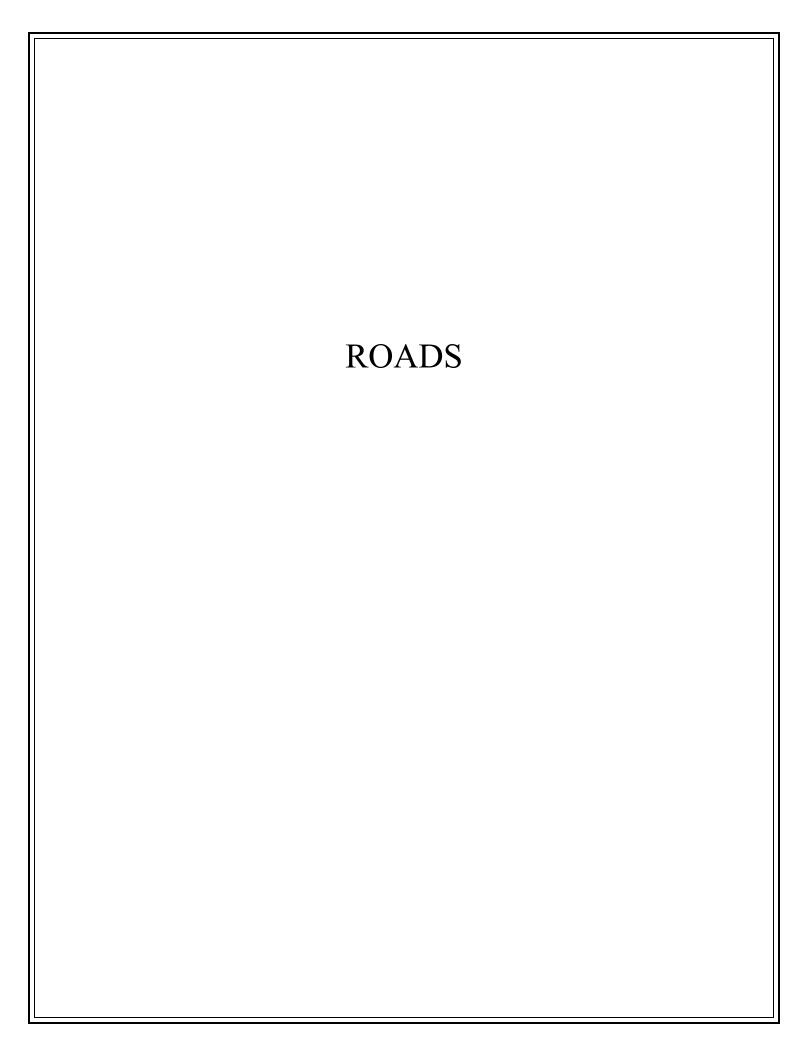

Included is \$0.6M to support State road projects. Contributing to State projects may expedite the planning process for State roads in Carroll County.

Market Street Extended, a new road construction project, will create a more direct connection to MD 140 from Old Westminster Pike.

Ongoing funding is included for inspection of storm drains. Video inspections will assess the condition of the storm drain system and rehabilitation funding is included for pipe lining and replacement of storm drains and small drainage structures.

Funding is included for the replacement or rehabilitation of three bridge structures.

For additional information on these or other Public Works projects, please refer to the individual project pages.

### **Highway Safety Improvements**

Heidi K. Pepin, Management and Budget Project Coordinator (410) 386-2082

This project provides ongoing funding to address roadway segments and road intersections with a history of frequent or severe accidents, and those with a significant potential for accidents. Possible improvements include minor changes in intersection geometry, turn lanes, signing additions or upgrades, traffic calming measures, and pavement marking upgrades.

### **Market Street Extended**

Heidi K. Pepin, Management and Budget Project Coordinator (410) 386-2082

Functional Classification: Collector Average Daily Traffic: TBD Length: Approximately 1,400 feet Limits: MD 140 to Old Westminster Pike

This project provides funding for the construction of a more direct connection to MD 140 from Old Westminster Pike. This connector will reduce traffic on Old Baltimore Road and the local streets that extend from Old Westminster Pike to Old Baltimore Road, and will provide redundancy in the road network. The connection to MD 140 will be located at the existing traffic signal at Market Street and Old Baltimore Road.

Proj #

#### **Pavement Management Program**

#### Heidi K. Pepin, Management and Budget Project Coordinator (410) 386-2082

This project provides ongoing funding for the maintenance, repair, or rehabilitation of the County's 900 miles of paved roads. A pavement management software program is used to collect road condition information and to recommend the most cost-effective repair. Repair strategies include: patching, overlay, mill and overlay, full depth reclamation, and reconstruction. Drainage structures and traffic barriers will be inspected, repaired, replaced, or added where necessary, and sidewalk accessibility will also be evaluated and included if upgrades are due.

Maintaining a road network in satisfactory condition is one of the Department's goals. While addressing roads that are near failure is important, maintaining roads in fair and satisfactory condition is important as well. It is cost effective to address roads while the amount of repair work is minimal and this balanced approach keeps the network in satisfactory condition.

#### **Pavement Preservation**

#### Heidi K. Pepin, Management and Budget Project Coordinator (410) 386-2082

This project provides ongoing funding to place a maintenance seal coat, such as microsurface, on paved roads. Pavement preservation is applied to roads still in good condition, before the onset of serious damage. Annual funding addresses approximately 30 - 40 miles.

Project list will be generated in the spring in preparation for the summer construction season.

# Ramp and Sidewalk Upgrades

Heidi K. Pepin, Management and Budget Project Coordinator (410) 386-2082

This project provides ongoing funding to upgrade or replace non-compliant ramps and sidewalks for ADA accessibility. Non-compliant ramps and sidewalks are also addressed through the Pavement Management Program. This project allows for the acceleration of the replacement and upgrade process.

#### **Small Drainage Structures**

Heidi K. Pepin, Management and Budget Project Coordinator (410) 386-2082

This project provides ongoing funding to rehabilitate or replace deteriorated drainage structures including culvert headwalls and ancillary drainage features.

The Department of Public Works continues to incorporate all pipe culverts and drainage structures into the Geographic Information Systems (GIS). Once the locations are identified and mapped, field condition assessments can be made to help determine the most cost-effective approach to replacing and repairing these structures.

#### **Storm Drain Rehabilitation**

Heidi K. Pepin, Management and Budget Project Coordinator (410) 386-2082

This project provides ongoing funding to maintain the storm drain system through rehabilitation and replacement. The County maintains about 180 miles (or 950,000 feet) of storm drain infrastructure, primarily located in neighborhoods where curbing, inlets, and manholes exist.

#### **Storm Drain Video Inspection**

Heidi K. Pepin, Management and Budget Project Coordinator (410) 386-2082

This project provides ongoing funding to gather video inspection data of existing storm drain pipes. Inspection data is also collected through the Pavement Management Program. Video inspections will determine if repairs or replacements are needed, and funding is provided for infrastructure rehabilitation in the Storm Drain Rehabilitation capital project.

## **Transportation/State Projects**

Lynn Karr, Senior Management and Budget Analyst (410) 386-2082

This project provides funding to support State road projects in Carroll County. Having County funding available to contribute to State projects may encourage the planning, construction, or improvement of State roads in Carroll County.

## **Bridge Inspection and Inventory**

#### Heidi K. Pepin, Management and Budget Project Coordinator (410) 386-2082

This project provides ongoing funding for the inspection of 21 minor structures that do not qualify for Federal funds. Small structures are inspected on the same biennial inspection cycle as the 133 major County-maintained structures and 4 bridges are inspected annually. Project includes field inspections of all 21 structures, as well as completion and submission of inspection reports to the County. The inspection reports are used to evaluate repairs and structure replacements.

#### **Bridge Maintenance and Structural Repair**

#### Heidi K. Pepin, Management and Budget Project Coordinator (410) 386-2082

This project provides ongoing funding for preventative maintenance and small repairs to County-maintained bridges, including: deck joint replacements, structural steel repairs, concrete patching, sediment removal, stream channel stabilization, traffic barrier replacement, and approach roadway repairs. Several projects have been identified for the work types and are listed below.

Listed below are potential sites for a replace	ement bridge seal project:
CL 208 Baptist over Alloway Creek	CL 211 Bowers over Alloway Creek
CL 234 Hapes Mill over Big Pipe Creek	CL 262 Mayberry over Bear Branch
CL 266 Flickinger over Big Pipe Creek	CL 271 Arters Mill over Big Pipe Creek
CL 272 Halter over Big Pipe Creek	CL 310 Woodbine over S. Branch Patapsco River

- CL 364 Adams Mill over Little Pipe Creek CL 353 Patapsco over W. Branch Patapsco River
- CL 311 Morgan over S. Branch Patapsco River

#### Listed below are potential sites for a concrete patching project:

- CL 217 Stone over Silver Run
- CL 310 Woodbine over S. Branch Patapsco River CL 311 Morgan over S. Branch Patapsco River CL 332 Marriottsville over S. Branch Patapsco River CL 353 Patapsco over W. Branch Patapsco River CL 373 Coon Club over E. Branch Patapsco River

#### **Cleaning and Painting of Bridge Structural Steel**

Heidi K. Pepin, Management and Budget Project Coordinator (410) 386-2082

This project provides ongoing funding for cleaning and painting of bridge structural steel. Cleaning and painting slows deterioration and extends the useful life of steel structures. Funding is accumulated over several years to allow for completion of a larger project.

Listed below are potential sites for the next project:

- CL 207 Baptist Road over Alloway Creek
- CL 208 Baptist Road over Alloway Creek
- CL 211 Bowers Road over Alloway Creek
- CL 262 Mayberry Road over Bear Branch
- CL 272 Halter Road over Big Pipe Creek
- CL 364 Adams Mill Road over Little Pipe Creek
- CL 402 York Road No. 1 over S. Branch Gunpowder Falls

This project qualifies for Federal aid, which covers 80 percent of the engineering, inspection, and construction costs.

#### **Gaither Road over South Branch Patapsco**

Heidi K. Pepin, Management and Budget Project Coordinator (410) 386-2082

2082

Functional Classification: Minor Collector Average Daily Traffic: 1,190 Bridge Number: CL 313

This project provides planned funding to replace the steel truss bridge, located in southern Carroll County on the Howard County border, with a new structure. The type of replacement structure will be determined based on an alternatives analysis.

This project qualifies for Federal aid, which covers 80 percent of the engineering, inspection, and construction costs.

#### Hawks Hill Road over Little Pipe Creek Tributary

Heidi K. Pepin, Management and Budget Project Coordinator (410) 386-2082

Functional Classification: Rural Local Average Daily Traffic: 253 Bridge Number: CL 242

This project provides planned funding to replace the small bridge, located in western Carroll County near the Town of New Windsor. The existing structure is concrete encased steel beams on stone masonry abutments. The type of replacement structure will be determined based on an alternatives analysis. The structure width and waterway opening will be evaluated as part of the analysis.

This project does not qualify for Federal aid.

# RECREATION AND CULTURE

## **Overview of Recreation and Culture CIP**

The Recreation and Parks portion of the FY 20 - 25 CIP provides facilities for passive (natural park areas) and active (ballfields) recreational opportunities. The primary sources of funding for recreation projects are Impact Fees and Program Open Space (POS) funding. Impact Fees are charged to developers of new homes in Carroll County to partially offset the cost of providing recreation facilities to serve those new homes. POS funding is provided as a portion of the State Real Estate Transfer Tax for the acquisition and development of park facilities. Projects include Recreation and Parks, and the Union Mills Homestead.

Funding is provided in the FY 20 - 25 CIP for the replacement of: three tot lots; roof replacement at Bear Branch Nature Center; paving at Piney Run, Hashawha, Old Liberty Road, and Krimgold Parks; and pavilion replacements at Piney Run Park and Bear Branch Nature Center. These projects maintain County infrastructure and are funded primarily through the use of Program Open Space dollars.

Included in FY 20 - 23 are lighting replacements, the installation of new lighting on three fields, and a roof replacement at Carroll County Sports Complex.

Other funded projects include a boat ramp at Double Pipe Creek Park, trails at Krimgold Park, Leister Park and the Northwest Trail, and historical restoration of Union Mills Homestead waterwheel and flume.

The FY 20 - 25 CIP continues to fund Self-Help projects. These projects are cooperative ventures between local community groups and the County, and enable the County's Recreation Councils to identify projects to enhance park facilities countywide.

For additional information on Recreation and Parks projects, please refer to the individual project pages.

# **Bear Branch Nature Center Pavilion Replacement**

Judy Flickinger, Senior Management and Budget Analyst (410) 386-2082

This project provides planned funding to replace the Bear Branch Nature Center pavilion, installed in 1991. Bear Branch is located at the Hashawha Environmental Center on John Owings Road, north of Westminster.

Project is contingent on State funding.

### **Bear Branch Nature Center Roof Replacement**

Judy Flickinger, Senior Management and Budget Analyst (410) 386-2082

This project provides funding to replace the Bear Branch Nature Center roof. Bear Branch is located at the Hashawha Environmental Center on John Owings Road, north of Westminster. Project includes replacement of the existing 9,000 square foot shingle roof, installed in 1993, with a standing-seam roof.

Project is contingent on State funding.

## **Community Self-Help Projects**

Judy Flickinger, Senior Management and Budget Analyst (410) 386-2082

This project provides ongoing funding for the Self-Help program in an effort to create community interest and involvement in recreational facilities throughout Carroll County. It has enabled communities to identify recreational projects, and requires approval by the Recreation and Parks Advisory Board and Board of County Commissioners. Individual projects may not exceed \$20,000 and can receive up to 75% funding from Community Self-Help, up to 85% if it includes volunteer labor. The remaining cost of the project is provided by the community.

# **Deer Park Lighting Replacement**

Judy Flickinger, Senior Management and Budget Analyst (410) 386-2082

This project provides planned funding to upgrade the existing lights on a soccer field at Deer Park, located on Deer Park Road, south of Westminster.

Project is contingent on State funding.

Operating impacts will include reduced electricity consumption outside the plan.

# **Double Pipe Creek Boat Ramp**

Judy Flickinger, Senior Management and Budget Analyst (410) 386-2082

This project provides funding to design and construct an accessible entrance into the Double Pipe Creek waterway. Project includes construction of a poured concrete sidewalk, staircase, and ramp. Double Pipe Creek Park, located on Keysville Road between Detour and the Frederick County line, is part of a ten-mile water trail.

Project is contingent on State funding.

#### **Gillis Falls Trail**

#### Judy Flickinger, Senior Management and Budget Analyst (410) 386-2082

This project provides planned funding to establish a 5,700 linear foot compacted-stone walking trail connecting Salt Box Park to Flag Marsh Road near the Carroll County Equestrian Center, located northeast of Mt. Airy. This section of trail will require a boardwalk in several areas and the installation of a pre-engineered bridge.

Project is contingent on State funding.

Operating impacts will include maintenance.

#### Hashawha and Bear Branch Paving

Judy Flickinger, Senior Management and Budget Analyst (410) 386-2082

**Commissioner District: 1** 

Proj #

This project provides planned funding for new paving and an overlay of approximately 150,000 square feet. Overlay will include the entrance and parking lot of the Bear Branch Nature Center, the entrance and parking lot of the Hashawha Environmental Center, and areas around the caretaker house, barn, shop, and lake. New paving will include the road to the raptor cages.

Project is contingent on State funding.

#### **Sports Complex Lighting**

Judy Flickinger, Senior Management and Budget Analyst (410) 386-2082

This project provides funding to upgrade the existing lights and add lighting fixtures to the fields at the Carroll County Sports Complex, located on Route 97, north of Westminster. Project includes replacement lights on ballfields #1, #2, and #3, new lights on multi-purpose field #1, and new lights on ballfields #4 and #5.

Project is contingent on State funding.

Operating impacts include reduced electricity consumption with lighting fixture replacements, offset by increased electricity usage from the installation of new lighting fixtures.

#### **Town Fund**

#### Judy Flickinger, Senior Management and Budget Analyst (410) 386-2082

This project provides ongoing funding to the eight towns within the County for five percent of their Program Open Space (POS) projects. Every year since the early 1970s, the State has made POS funds available to the towns for development of municipal parks. Up to 90 percent of the cost of the municipal projects may be reimbursed through POS funding. The County contribution shown below is to cover five percent of the approved municipal projects. The remaining five percent, as well as any cost overruns, are the responsibility of the towns.

# GENERAL GOVERNMENT

### **Overview of General Government CIP**

The General Government portion of the Community Investment Plan (CIP) addresses capital projects that do not specifically fit in one of the other five categories: Recreation and Parks, Public Works, Board of Education, Conservation and Open Space, and Enterprise Funds. General Government projects are typically related to Public Safety 911, Carroll Community College, Carroll County Public Library, Sheriff's Office, State's Attorney's Office, Technology Services, Senior Centers, and other County facilities.

Included in the FY 20 - 25 CIP is ongoing funding for technology improvements for County Government and Carroll County Public Library. Technology funding is included in FY 20 - 22 for Carroll Community College.

Systemic improvements, replacements, and renovations for County facilities, including generators, roofs, HVAC components, and parking lots, are included in the FY 20 - 25 CIP. In FY 20, funding is included for systemic renovations at Carroll Community College, including fire alarm upgrades, boiler and chiller replacements, building envelope restoration, and a replacement roof.

Additional phases to the Public Safety Training Center in FY 20 - 22 include parking lots, a multi-story burn building, an outdoor classroom, and training props. Ongoing funding is provided for Public Safety emergency communication radios, as well as for regional water supply infrastructure to support firefighting operations.

Construction of an Eldersburg precinct for the Sheriff's Office is included in FY 23 - 24.

For additional information on General Government projects, please refer to the individual project pages.

### **Carroll Community College Systemic Renovations**

Chizuko M. Godwin, Management and Budget Analyst (410) 386-2082

This project provides funding for systemic improvements and renovations to Carroll Community College facilities including heating, ventilation, and air conditioning systems. It is anticipated the State will provide approximately half of the total funding for this project. Listed below are projects in priority order:

Fire Alarm Upgrades Main Building Boiler Replacements Chiller Replacements Main Building Roof Replacement Exterior Building Renovations

## **Carroll Community College Technology**

Chizuko M. Godwin, Management and Budget Analyst (410) 386-2082

**Commissioner District: 3** 

9782

This project provides funding for the systematic replacement of laboratory computers and classroom technology used at Carroll Community College. The Prior Allocation and funding in FY 20 - 22 is intended to match private funds raised by The Carroll Community College Foundation.

# **County Building Access System Replacements/Additions**

Chizuko M. Godwin, Management and Budget Analyst (410) 386-2082

This project provides funding to replace and/or install a building access system at multiple County facilities. Funding is included for licenses, cabling, and various IT components. Listed below are planned projects:

Replacements: Library Headquarters Westminster Library Courthouse Annex Historic Courthouse County Office Building

Additions: County Maintenance Facility

Operating impacts include software maintenance agreements.

#### **County Technology**

**IMPACTS** 

#### Chizuko M. Godwin, Management and Budget Analyst (410) 386-2082

This project provides ongoing funding for systematic replacement of County information and communication systems including computers, servers, printers, network infrastructure, and security cameras. The County replaces user equipment, peripherals, and core IT infrastructure on a cyclical basis. Listed below are planned projects:

Virtual Server and Back-Up System Upgrade/Replacement Storage Area Network (SAN) Expansion Switch Replacements Audio Video Suite and Court Smart Replacements for Circuit Court

Operating impacts include maintenance costs and software support.

## **Countywide Transportation Master Plan**

Lynn Karr, Senior Management and Budget Analyst (410) 386-2082

This project provides funding to develop a Countywide Transportation Master Plan to analyze transportation needs throughout the County, including the County's eight municipalities. Analysis will include, but not be limited to, transportation policy, specific transportation projects, and funding sources. Prior allocation is from the FY 18 Unified Planning Work Program (UPWP) for Carroll County through the Baltimore Metropolitan Council.

#### Project is contingent on Federal funding.

# **Fleet Lift Replacements**

Stephanie R. Krome, Senior Management and Budget Analyst (410) 386-2082

This project provides ongoing funding to continue replacement of aging vehicle lifts at the Maintenance Center. There are nine lifts in total, five above ground and four below ground. Planned for replacement are below-ground lifts originally installed over ten years ago. Additional lifts are scheduled for replacement outside of the six-year plan.

# North Carroll High Demolition or Roof Replacement

Taylor Hockensmith, Management and Budget Analyst (410) 386-2082

This project provides planned funding for the roof replacement or demolition of the building formerly known as North Carroll High, located on Panther Drive in Hampstead. The Board of County Commissioners made a decision to keep the building until the end of FY 21.

## **Parking Lot Overlays**

Taylor Hockensmith, Management and Budget Analyst (410) 386-2082

This project provides ongoing funding to overlay parking lots at County facilities. Listed below are planned projects:

Ascension Church Deer Park Robert Moton Center/Health Department Sandymount Park County Office Building Upper Lot Farm Museum Lot and Entrance Road Kessler Building Union Mills Courthouse Annex Maintenance Center Back Lot

Funding increases in FY 20 - 24 due to projected additional Highway User Revenue applied to the Pavement Management capital project, making General Fund dollars available for use on this project.

## **Public Safety Regional Water Supply**

Lynn Karr, Senior Management and Budget Analyst (410) 386-2082

This project provides ongoing funding for the installation of water tanks and dry hydrants throughout the County. Water tanks provide a 30,000 gallon source of water to support firefighting operations.

Dry hydrants use sources, such as streams and ponds, to access water for use in firefighting activities in areas that are otherwise without a readily accessible supply of water. Dry hydrant projects generally include the installation of PVC pipe on a bridge structure and are used to draft water from the stream.

## **Public Safety Training Center**

Lynn Karr, Senior Management and Budget Analyst (410) 386-2082

This project provides funding for additional phases to the Public Safety Training Center, located on Kate Wagner Road in Westminster. The Training Center is used by emergency services and law enforcement personnel. It is anticipated the State will provide approximately half of the total funding for this project. Listed below are planned projects:

Lower Level Parking Lot Upper Level Parking Lot Class A Burn Building Utility Distribution Lines for props and planned burn building Training Props for realistic drills with hazardous materials and vehicle extrication Outdoor Classroom

Operating impacts include gas for props and electricity to light parking lots, and will be determined as the project develops.

## **Sheriff's Office - Eldersburg Precinct**

Heidi K. Pepin, Management and Budget Project Coordinator (410) 386-2082

This project provides planned funding for construction of an 11,000 square foot Sheriff's Office precinct, located on West Hemlock Drive in Eldersburg.

Operating impacts, beginning in FY 25, may include an administrative position, utilities, insurance, trash removal, janitorial services, etc.

## Westminster Library - Exploration Commons

Chizuko M. Godwin, Management and Budget Analyst (410) 386-2082

This project provides funding to convert the Westminster Library basement into a makerspace. Renovated space will provide a large room for meetings, demonstrations, and events; several small group study spaces; and an area to offer cutting-edge technologies.

Project is partially funded with community support and contingent on State funding.

Operating impacts include utilities and maintenance.

# ENTERPRISE FUNDS

## **Overview of Enterprise Funds CIP**

Enterprise Funds are used to account for operations that are funded and operated in a manner similar to private businesses. Carroll County has six enterprise funds: Carroll County Regional Airport, Fiber Network, Hap Baker Firearms Facility, Septage, Solid Waste, and Utilities (Water and Sewer). There are no projects for the Firearms Facility or Septage Enterprise Funds.

### Fiber Network

The Fiber Network Enterprise Fund includes planned funding of \$1.0M in FY 23 for Carroll County Public Network (CCPN) equipment replacement.

### Solid Waste

The Solid Waste Enterprise Fund includes funding for an additional waste drop-off area at Northern Landfill. The new area will accommodate larger loads brought in by pickup trucks and trailers.

### Utilities

The Bureau of Utilities operates Freedom Sewer, Freedom Water, Hampstead Sewer, and several other small water and sewer systems. Projects can generally be divided into those intended to improve the existing system, such as rehabilitation projects to reduce inflow and infiltration, and those intended to provide for increased demand. Included in the FY 20 - 25 CIP is \$4.7M for upgrades to water and sewer lines in the Town of Sykesville, and \$3.4M for repairs to sewer lines.

For additional information on these or other Enterprise Fund projects, please refer to the individual project pages.

### Community Investment Plan - Schedule of Reappropriations Fiscal Year 2020

Reappropriations are a transfer of funds. They may occur when there are unspent budgeted funds from a completed or cancelled project, or when there is an unallocated project that holds funds for future use.

# **Grounds and Maintenance Equipment**

Stephanie R. Krome, Senior Management and Budget Analyst (410) 386-2082

This project provides ongoing funding for grounds and maintenance equipment at the Carroll County Regional Airport, located off

Route 97 in Westminster. The Federal Aviation Administration (FAA) has approved this use of rental revenues collected from the properties that were jointly purchased by the Airport and the FAA.

# **CCPN Equipment Replacement**

Chizuko M. Godwin, Management and Budget Analyst (410) 386-2082

This project provides planned funding for the replacement of equipment installed in FY 15 for the Carroll County Public Network (CCPN). Construction of the CCPN began in 2006 and was completed in 2013. In addition to the 112 miles of backbone fiber, 33 miles of laterals have been built and over 100 sites have been brought onto the Network.

Operating impacts include hardware maintenance agreements.

## **Billing Software**

### Stephanie R. Krome, Senior Management and Budget Analyst (410) 386-2082

This project provides planned funding to upgrade the billing software used by Utilities and Accounting, in conjunction with a larger software upgrade.

Operating impacts to be determined as the project develops.

## Fairhaven Well House Rehabilitation

Stephanie R. Krome, Senior Management and Budget Analyst (410) 386-2082

This project provides planned funding to rehabilitate and expand capacity at Fairhaven Well House, located on Sykesville Road in Sykesville. Included are chemical-feed pumps, surveillance cameras, pipes, and electric/software upgrades.

Operating impacts to be determined as the project develops.

## **Freedom Sewer Rehabilitation**

Stephanie R. Krome, Senior Management and Budget Analyst (410) 386-2082

This project provides ongoing funding for inspection and lining repairs of sanitary sewer mains and laterals in the Freedom Sewer service area. Lining the pipe increases the life of the sewer mains by sealing joints and cracks, which prevents inflow and infiltration.

## **Freedom Wells and Connections**

Stephanie R. Krome, Senior Management and Budget Analyst (410) 386-2082

This project provides funding to add wells to provide additional sources of water to the Freedom Water service area, reducing dependency on Liberty Reservoir.

Operating impacts to be determined as the project develops.

# Freedom WTP Membrane Replacement

Stephanie R. Krome, Senior Management and Budget Analyst (410) 386-2082

This project provides ongoing funding to replace the membrane filters at the Freedom Water Treatment Plant (WTP), previously replaced in FY 16. Funding is being accumulated for future replacement of the filters.

## Hampstead Sewer Rehabilitation

Stephanie R. Krome, Senior Management and Budget Analyst (410) 386-2082

This project provides ongoing funding for inspection and lining repairs of sanitary sewer mains and laterals in the Hampstead Sewer service area. Lining the pipe increases the life of the sewer mains by sealing joints and cracks, which prevents inflow and infiltration.

## Sewer Manhole Rehabilitation

#### Stephanie R. Krome, Senior Management and Budget Analyst (410) 386-2082

This project provides ongoing funding to rehabilitate sewer manholes. Repair strategies include: foam injection rehabilitation, spray-on lining structure rehabilitation, addition of manhole risers to raise the top of structures, and replacement of existing manhole covers with sealed structures. New manhole installations are also included in this project.

## Town of Sykesville Water and Sewer Upgrades

Stephanie R. Krome, Senior Management and Budget Analyst (410) 386-2082

This project provides planned funding to line clay pipes that are more than 50 years old in the Town of Sykesville. Main Street will be addressed through the Town of Sykesville Streetscape Water and Sewer Upgrades project.

#### Water Main Loops

Stephanie R. Krome, Senior Management and Budget Analyst (410) 386-2082

This project provides funding to connect various water mains to provide adequate looping in the Freedom Area Water System. Looping of water mains is the connection of dead ends of two separate water lines. Connecting these lines improves water flow throughout the system, and helps maintain and improve water quality.

#### Water Main Valve Replacements

Stephanie R. Krome, Senior Management and Budget Analyst (410) 386-2082

This project provides ongoing funding to replace the County's water main valves and blow-off valves. Water main valves are needed to shut off lines in the event of water main breaks or if new connections are added into the system. Blow-off valves allow for water line flushing. The planned annual allocation will fund approximately 25 blow-off valve replacements and 5 water main valve replacements.

#### Water Meters

Stephanie R. Krome, Senior Management and Budget Analyst (410) 386-2082

This project provides ongoing funding for the upgrade and replacement of approximately 10,000 residential meters and 420 commercial meters. The upgrade includes software and hardware equipment that will enable remote readings, and could also include replacement of, or conversion to, meter vaults. Conversion moves the meter from inside private houses to a vault located in the County right-of-way to allow easier maintenance and meter readings.

#### Water Service Line Replacement

Stephanie R. Krome, Senior Management and Budget Analyst (410) 386-2082

This project provides ongoing funding to replace water service lines in the Freedom Water service area. Leaking water lines lead to increased operational costs and loss of treated water. The annual allocation for this project funds the replacement of approximately 80 - 90 water service lines each year.

#### Water/Sewer Studies

Stephanie R. Krome, Senior Management and Budget Analyst (410) 386-2082

This project provides funding to perform studies of the Freedom Area water system and the Freedom Water Treatment Plant. Prior Allocation included funding for studies of the Freedom Area and Hampstead Area sewer systems.

#### Winfield Pump Station Rehabilitation

Stephanie R. Krome, Senior Management and Budget Analyst (410) 386-2082

**Commissioner District: 4** 

Proj #

This project provides planned funding for the rehabilitation of the Winfield Pump Station, which serves Winfield Elementary. Included are replacement pumps, controls, and generator; as well as new roofing, bypass valving, fencing, and paving repairs.

# GLOSSARY OF TERMS AND ACRONYMS

## **GLOSSARY OF TERMS AND ACRONYMS**

ADA Americans With Disabilities Act.

**AGRICULTURE TRANSFER TAX** Tax on the sale of property located within an area zoned for agriculture; proceeds are used to help fund the Agricultural Land Preservation program.

**APPROPRIATION** Legal authorization to spend a specific amount of money for a particular purpose during a fiscal period.

**BALANCED BUDGET** A budget in which total expenditures equal total revenues. By State Law, the County's budget must be balanced.

**BOE** Board of Education.

**BOND** An investment grade interest-bearing certificate of indebtedness sold by the County or another governmental agency to generate funds. The bond guarantees payment of the original investment plus interest by a specified date or dates in the future. Bonds typically involve long-term indebtedness to pay for capital projects.

**BONDED DEBT** The total amount owed by the County as a result of the sale of general obligation or other bonds guaranteed by the County Government.

**CAPITAL BUDGET** This budget funds construction and improvement projects such as schools, bridges, and roads.

**COMMUNITY INVESTMENT PLAN (CIP)** A six-year plan showing anticipated capital projects and funding sources.

**DEBT SERVICE** The annual payment of principal and interest on the County's bonded debt.

**DEPARTMENT** A County agency or office. Examples are the Department of Economic Development and the Department of Public Works.

**DISTRICT LOCATION** Project location based on the five Commissioner districts within Carroll County.

**ENTERPRISE FUND** A fund established to account for the financing of self-supporting services provided by the County government. The services generate their own revenues from fees, charges, and other receipts. Carroll County presently has six enterprise funds: Airport, Fiber Network, Firearms Facility, Septage, Solid Waste, and Utilities (Water/Sewer).

**EXPENDITURE** The cost of goods delivered or services rendered.

**FISCAL YEAR** A twelve-month period of time to which the annual operating and capital budgets apply. Carroll County's fiscal year runs from July 1st through June 30th.

**FUND** A separate budget/accounting entity with its own revenues and appropriations. The General Fund, for example, covers most of the daily operations of the County agencies and is financed by a variety of taxes and other revenues.

**GENERAL GOVERNMENT** Capital projects that do not specifically fit in one of the other five categories: Recreation and Culture, Public Works, Board of Education, Conservation and Open Space, and Enterprise Funds. General Government projects are typically related to Public Safety, Carroll Community College, Carroll County Public Library, State's Attorney's Office, Technology Services, Senior Centers, Farm Museum, and other County facilities.

**GENERAL OBLIGATION BOND** Common type of municipal bond secured by a state or local government's pledge to use legally available resources, including tax revenues, to repay bond holders.

GIS Geographic Information Systems.

**GRANT** A contribution of assets (usually cash) from one governmental entity (typically the State or Federal government) or other organization to another. The contribution is usually provided in support of a particular public function, project, or program.

HVAC Heating, ventilation, and air conditioning.

**IMPACT FEES** One-time charges assessed against new development to recover a portion of the capital cost of the additional public facilities of parks and schools needed to serve that development.

**LOCAL INCOME TAX (LIT)** Counties in Maryland have the authority to levy a Local Income Tax rate, which is expressed as a percentage of State taxable income. A portion of Local Income Tax is devoted to the Capital Fund for Board of Education projects.

MUNICIPALITY City or town incorporated for local self-government.

**OPERATING BUDGET** The annual budget, which supports the day-to-day operations of County agencies.

**OPERATING IMPACTS** The costs associated with implementation of projects in the capital budget. Examples include utility, maintenance, and personnel costs.

**OVERLAY** Consists of milling and patching of failed areas, and the application of hot mix asphalt over the existing road or parking lots.

**PAYGO** A fiscal policy by which capital projects are funded with current revenue. In Carroll County, in addition to Transfer to Capital Fund, other sources of current revenue are appropriated directly to the Capital Budget.

**PRIOR ALLOCATION** Legal authorization to spend a specific amount of money for a particular purpose that occurred during a previous fiscal period.

**PROGRAM OPEN SPACE (POS)** Funding provided as a portion of the State Real Estate Transfer Tax for the acquisition and development of park facilities.

**PROPERTY TAX** Tax on the value of real and personal property is levied almost exclusively by local governments. In Maryland, the State Department of Assessments and Taxation is responsible for the valuation and assessment of all property in the State. The local government is responsible for setting the tax rate to be applied to the property assessments to generate revenues in support of the local budget. A portion of Property Tax is devoted to the Capital Fund for the Agriculture Land Preservation project.

**REAPPROPRIATION** A transfer of funds that may occur when there are unspent budgeted funds from a completed or cancelled project, or when there is an unallocated project that holds funds for future use.

**RESOLUTION** Formal statement presented to Commissioners for decision.

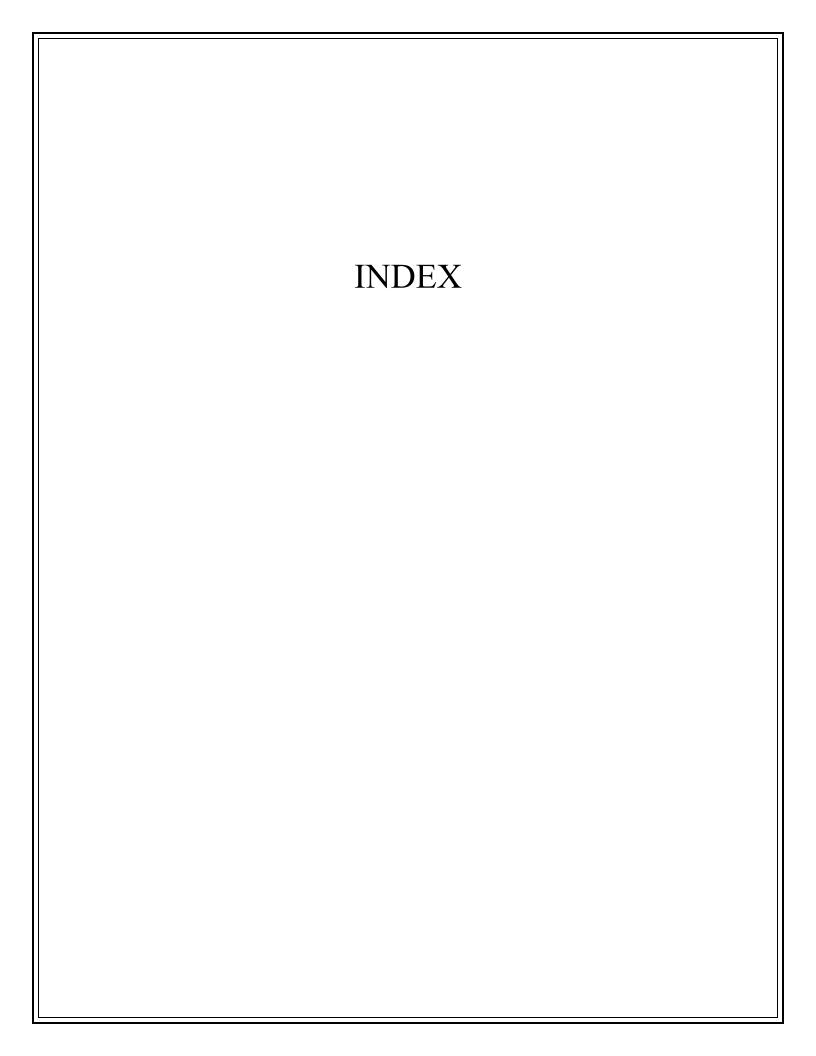

**REVENUES** Monies received by the County to provide services needed by the public. Property Taxes, building permits, and receipts from State and Federal sources are examples. By law, revenues must meet or exceed appropriations.

SEQUENTIAL BATCH REACTORS (SBR) A type of sludge process for the treatment of wastewater.

**UPWP** Unified Planning Work Program.

WTP Water Treatment Plant.

WWTP Wastewater Treatment Plant.
