Mission and Goals

Citizen Services Non-Profit Service Providers is a functional grouping of agencies that provide a variety of services to fulfill the basic needs of children, youth, older adults, and the disabled in the community. The Department of Citizen Services is the coordinating agency for all human service functions funded by Carroll County Government.

Goals include:

- Linking citizens to community services
- Reducing the risk of crime and substance abuse, with attention to prevention, enforcement, and treatment, and focusing on youth and families

Highlights, Changes, and Useful Information

These agencies are funded at the discretion of the Commissioners. This funding is to offset part of the cost of services the County would likely provide if they were not made available to citizens through the non-profits.

Budget Changes

- The Arc Carroll County budget increases due to one-time funding in FY 19 for the purchase of two accessible vans and a one-time additional 2% increase.
- CHANGE, Inc. decreases due to one-time funding of \$25,000 for an HVAC and LED lighting project in FY 18, offset by a one-time 2% additional increase in FY 19.
- Rape Crisis Intervention Service increases due to a 5% increase and one-time funding of \$12,500 for a replacement server.
- Target Community and Educational Services increases due to a one-time 2% additional increase in FY 19.
- Additional funding of \$75,000 is included in Youth Service Bureau for substance abuse treatment.

Mission and Goals

To support the efforts of people with intellectual and developmental disabilities in their individual pursuit of fulfilling life.

Goals include:

- Promote, expand, and enhance the name, image, and services of The Arc throughout the community
- Evaluate all programs and service areas for relevance and quality of services and supports for clients
- Raise program quality through staff input and innovation by creating person-centered services
- Identify the needs of the people who are served
- Maximize the use of monetary assets by prioritizing needs and investing responsibly for the future
- Expand staff development to include formal orientation for new hires and targeted trainings to address complex needs
- Develop and enhance the relationships and partnerships with major stakeholders
- Become the most dynamic and sought after provider of services without boundaries

Description

The Arc Carroll County is a non-profit organization located at 180 Kriders Church Road, Westminster, MD. The Arc organizes the numerous services it provides to individuals with intellectual and developmental disabilities into three primary service departments:

- Community Living programs
- Employment and Day Services
- Transportation services

The Community Living program creates personalized living arrangements in a community-based setting. Services in the program include respite care, adaptive equipment, architectural modifications, personal care, health services, in-home support, medical supplies, and transportation.

The Employment and Day Services program provides a variety of opportunities to assist people in realizing their career and employment goals through vocational and job development training, paid employment opportunities with local businesses, and job retention services.

Transportation services provides door-to-door transportation to people participating in The Arc sponsored programs and services, as well as daily transportation to over 200 students attending specialized programs in Carroll County Public Schools.

Program Highlights

In FY 17:

- The Arc constituents worked 28,500 hours at community job sites.
- 178 individuals were served in the various programs The Arc provides.
- Residential services were provided to 26 clients.

Mission and Goals

To support individuals with disabilities to achieve community integration and independence through personal choices.

Goals include:

- Foster an environment that promotes cooperation in the community for the success of each individual
- Communicate clearly, truthfully, and constructively in all interactions with all facets of our community
- Work towards encouraging an environment that embraces trust and commitment
- Pursue higher standards that promote an environment that encourages creativity, innovation, and interdepartmental collaboration
- Work together in an environment that recognizes and celebrates communal successes and individual accomplishments

Description

CHANGE, Inc., a non-profit organization located at 115 Stoner Avenue, Westminster, MD, provides the following programs for individuals with developmental and intellectual disabilities:

- Day Habilitation with daily transportation
- Vocational Program
- Transitional Program
- Family and Individual Support Services
- Respite Inn

Clients in the Day Habilitation Program receive support, training, and assistance in activities of daily living, including basic hygiene, mobility, communications, and personal care. Services include a therapeutic pool, a community volunteer program, and daily transportation.

The Vocational Program provides a sheltered workshop environment and supported employment opportunities for 65 individuals.

The Transitional Program is for clients who no longer wish to participate in the Vocational Program or who need more socialization, work opportunities, or structured group programming.

Family and Individual Support Services provide respite care, in home personal assistance, and other services to families and individuals.

The Respite Inn provides temporary care for children and adults in a comfortable home-like environment.

Program Highlights

- In FY 17, 171 individuals were served by various programs.
- In FY 18, an HVAC and Lighting System upgrade was completed at the Stoner Avenue facility.
- CHANGE continues to partner with Carroll County Public Schools in Vocational Opportunities for Independent Change and Empowerment (VOICE); a program that works with the clients on in-home living skills.

Budget Changes

This budget decreases due to one-time funding of \$25,000 for an HVAC and LED lighting project in FY 18, offset by a one-time 2% additional increase in FY 19.

Mission and Goals

To transform the lives of children and adults by providing opportunities to build self-confidence, resilience, and hope.

Goals include:

- Foster safety, resiliency, and stability for families impacted by crime and violence
- Expand capacity, infrastructure, and efficiency to increase the number of victims served, particularly those that are in special classes or who have been traditionally underserved
- Contribute to a more cohesive and streamlined victim services system that is more accessible and responsive
- Educate law enforcement, the court system, service providers, and the public about the devastating emotional, psychological, and physical effects that crime and violence have on victims and the options available to those victims

Description

Family and Children's Services (FCS) of Central Maryland, located at 22 North Court Street, Westminster, MD, is a private, non-profit, non-sectarian social services agency that provides specialized programs to victims of domestic violence, sexual assault, childhood sexual and physical abuse, and elder neglect and abuse. The emphasis of Family Violence Project is on developing and implementing strategies specifically intended to move families impacted by crime and violence from crisis and vulnerability to safety and stability. FCS has been providing services to clients suffering from domestic violence since 1977. Services include:

- Twenty-four hour hotline, emergency counseling, and shelter at the Domestic Violence Program (DVP) Safe House.
- DVP Safe House offers up to 60 days of safe shelter, individual and group counseling and therapy, education, ongoing case management, and support groups.
- Legal representation, court accompaniment, and assistance obtaining resources for victims.

- First Step Projects provides outreach, with police accompaniment, as follow-up to 911 calls.
- Psychiatric evaluations, consultations, and ongoing treatment by board-certified psychiatrists.
- Court-ordered and voluntary programs including Abuser Intervention, Anger Management, and Appropriate Responses to Abuse.

Program Highlights

- FCS served 1,574 individuals in FY 17.
- In FY 18, FCS created a formal relationship with Carroll Hospital Center and the Forensic Nurse Examiner team to combat human trafficking.
- FCS began working with Carroll County Public Schools and reached 180 students in the last academic quarter of 2017.
- FCS continues to play an important role in implementing the Lethality Assessment Program (LAP), an 11-question screening tool that allows all law enforcement agencies and first responders in the County to better assess victims' needs for early intervention and connect them with immediate help. FCS hosts regional meetings with LAP partners to provide update on best practices for using the tool.

In addition to the direct contribution of \$150,120, the County provides RCIS with \$40,000 of estimated in-kind services through building space.

Mission and Goals

To provide counseling and support services to citizens hurt by sexual violence and to eliminate sexual violence in Carroll County through education and advocacy.

Goals include:

- Develop service plans for clients receiving in-person counseling
- Have clients meet their goals as outlined in their service plans
- Provide education regarding healthy relationships, sexual abuse, and assault prevention to youth in Carroll County public middle and high schools

Program Highlights

- RCIS formed a partnership with Carroll County State's Attorney's Office to provide all high schools with a program on relationship violence.
- RCIS expanded its outreach effort to Carroll County middle and high schools to provide sexual assault prevention education.
- In FY 17:
 - 326 individuals were served
 - 493 hotline calls were received
 - 230 face-to-face interventions were provided
 - 184 individual and group therapy sessions were provided

Description

Rape Crisis Intervention Service of Carroll County (RCIS), is a private non-profit organization located at 224 North Center Street, Room 102, Westminster, MD. RCIS serves Carroll County residents aged 12 and older who have been affected by any type of sexual violence.

Budget Changes

This budget increases due to a 5% increase and one-time funding of \$12,500 for a replacement server.

The following aspects of service make RCIS unique among other service providers in Carroll County:

- Free confidential crisis counseling services are available on a walk-in basis, and same day service is provided.
- The 24-hour hotline provides fast access and confidentiality, and is staffed by certified volunteers.
- Accompaniment services to police stations, hospitals, and courts are available.
- Victims do not need to disclose their name or personal financial information to access services.
- Minors do not require parental permission or knowledge to obtain services or information.

All services are of a short duration with most clients completing treatment within a period of six months. The County funds are used primarily to support crisis intervention services, education programs, outreach services, and overhead costs. Treatment services are provided to both victims and families.

management of the substance abuse services formally provided by Junction, Inc.

Mission and Goals

To provide a continuum of community-based mental health and substance abuse services for children, adults, and families in Carroll County. The Carroll County Youth Service Bureau (CCYSB) uses a multi-disciplinary approach to deliver prevention, intervention, and treatment services in the least restrictive and most cost-effective manner. In the true spirit of the helping profession, CCYSB is dedicated to excellence in service, innovation in programming, and responsiveness to our community.

CCYSB clients possess a variety of behavioral and emotional illnesses and can include at-risk and severely emotionally disturbed children, adolescents, and adults, as well as the chronically mentally ill. With a strong focus on prevention through early intervention, education, and recognition that children, adults, and families may require different services, CCYSB has developed a continuum of services to meet individual needs. Services currently provided include:

Goals include:

- Maximize potential of youth by providing, supporting, and advocating for high-quality counseling
- Provide crisis intervention services by way of suicide intervention and potential for violence assessments
- Refer children and families to other appropriate resources when services at CCYSB are at capacity
- Provide educational and outreach services to children, parents, adults, and organizations in the community
- Deter youth from delinquent activities through early intervention and prevention activities
- Identify physical and social conditions that provide opportunities for growth and healthy maturation for youth
- Provide home-based case management, intensive counseling, and support services through mobile treatment and family preservation services
- Provide quality service by staying current in clinical knowledge and statistical trends, and by continually evaluating the effectiveness through a quality assurance system

- Alcohol and Substance Abuse Services
- Violence Assessment Program
- Assertive Community Treatment
- Intensive Family Preservation Services
- Safe and Stable Family Preservation Program
- Brief Strategic Family Therapy
- Parenting Education Workshops
- Suicide/Self-Injury Intervention Program
- Interactive Group Therapy
- Parents as Teachers
- Dialectical Behavioral Therapy

Program Highlights

In FY 17 CCYSB served:

- 2,701 clients
- 71 individuals in Assertive Community Treatment
- 33 families in Safe and Stable Family Preservation
- 56 at-risk families through Brief Strategic Family Therapy
- 20 at-risk youth in the Violence Prevention Program

Budget Changes

A 2% increase is included as well as an additional \$75,000 of ongoing funding. This is the third year of additional funding for substance abuse treatment and is planned to increase to a cumulative \$500,000 in FY 22.

Description

CCYSB operates from 59 Kate Wagner Road, Westminster, MD. Serving the Carroll County community since 1972, CCYSB is an outpatient mental health clinic for children, adults, and families, and the organization receives oversight licensing and certification from the MD Department of Health and Mental Hygiene and Juvenile Services. The Local Management Board also provides oversight. On July 1, 2011 CCYSB took over the
