Mission and Goals

The Union Mills Homestead Foundation strives to maintain and preserve the Homestead Buildings and gristmill as a living, working, historical landmark for future generations.

Goals include:

- Continued preservation and restoration of the historic site, buildings and original furnishings.
- Operation of the historic site as a museum of early American and Carroll County heritage.
- Genuine and authentic education and historic interpretation of the site in keeping with its distinctive character and atmosphere.

Description

In 1797, David and Andrew Shriver purchased the tract of land along Big Pipe Creek for the purpose of operating a gristmill and sawmill. The brothers later added a tannery, cooper shop and blacksmith's shop. The growing enterprise soon took the name "Union Mills" because of the partnership between the two brothers and their various businesses. The mill operated commercially until 1942. It was closed for restoration in the early 1980's and then re-opened in 1983. In addition to the mill and outbuildings, the original "double house" of the two Shriver brothers can be visited today. The facility, located on Littlestown Pike in Union Mills, is owned by Carroll County and operated by the Union Mills Homestead Foundation, a non-profit organization.

Many special events draw visitors to the Homestead. The annual Flower and Plant Market in May, the Corn Roast Festival in August and the Microbrewery Festival in September are three of the premiere events at the Homestead. The Homestead draws approximately 15,000 visitors annually.

In addition to the direct contribution of \$20,000, the County provides the Union Mills Homestead Foundation with in-kind services through the Bureau of Facilities, and capital projects for renovations to the Homestead Buildings. In FY 17, the Bureau of Facilities' budget includes \$29,200 for Union Mills and a capital project includes \$510,000 for renovations to the Main House.

Program Highlights

- The Homestead Foundation updated their Five-Year Strategic Plan, adopted by the Board of Governors for the period 2016 – 2020.
- The Homestead hired two employees; one to handle tours and administrative matters in the house, and a second to manage the gift shop.
- Signage in and around the Grist Mill was expanded to improve the interpretation of the Mill for guests.
- The 46th Flower and Plant Market event, held in May, was extremely successful and set new sales records.
- 45th Corn Roast, held in August, was well attended and had strong volunteer support. The event is jointly sponsored by the Homestead Foundation and the Silver Run/Union Mills Lions club.
- 10th annual Maryland Microbrewery Festival, held in September, also set new records for sales.
- As lead sponsor of the inaugural Carroll County Beer Week, the Homestead received good marketing exposure for the Microbrewery Festival. It also highlighted the Grist Mill, which was used to grind grains for a special harvest ale prepared by a team of local brewers.

One-time funding of \$5,000 was included in FY 17 to assist the Homestead's Celebrating America efforts.
