This project provides ongoing funding to maintain the Bark Hill closed landfill. The Environmental Protection Agency requires a landfill be monitored and maintained for a minimum of thirty years after closing. This funding is used to control the movement and proper handling of the gas and groundwater around the landfill, as well as needed repairs to the site. Prior to FY 16, funding for this project was included in the Closed Landfill project.

This project provides ongoing funding to maintain the Hodges closed landfill. The Environmental Protection Agency requires a landfill be monitored and maintained for a minimum of thirty years after closing. This funding is used to control the movement and proper handling of the gas and groundwater around the landfills, as well as needed repairs to the site. In FY 16 funding is included to repair a slope failure. Prior to FY 16, funding for this project was included in the Closed Landfill project.
