

Farm Museum Advisory Board

November 13, 2024

Present: Commissioner Vigliotti, Jane Sewell, John Boag, Bryan Hall, Judy Fortin and Peggy Soper

A tour of the new maintenance shop was given by Bryan Hall, Maintenance Supervisor.

Manager's Report was given by Jane Sewell on the Blacksten Mill. The mill is being taken down and moved to the Farm Museum. John Boag reported that he has been to the mill and inspected the structure. All the mill gearing is there. John has begun tagging pieces of the structure for reassemble. And he has made space in the Museum's Corn Crib to store the mill pieces that are salvable. John Boag will supervise taking down the mill. The work will begin soon and only take a few days.

Next meeting December 18<sup>th</sup> at 9:30 AM in the Grier Room.

There will be no meeting in January or February.

Respectfully submitted,

Peggy Soper
